Varsity FOOTBALL

BY: ALLIE LITTLE

On November 10th the Wolverines won their first playoff game against Los Molinos 30-22. November 18th Biggs advanced to Portola for the second round of playoffs. Great job to all of Varsity!

Cheerleaders

As the 2022 football and cheer season reaches its end the squad performed their final home game halftime performance on (11/4) senior night. Most of us thought it was the squad's final hurrah together, but it has been an exciting couple of weeks as the Wolverines advance into playoffs. The girls continue to spread their spirit and put on a great show!
