Interview Mrs. Garcia

Q. How was being the ASB advisor like for the 2023-24 school year?

A. “ Being the ASB advisor was fun, challenging and sometimes stressful! This was a great group of students for my first year as the advisor because they helped me out a lot and were patient with me.”

Q. Are you planning on being the advisor again?

A. “ I am planning to be the advisor again next year and am looking forward to seeing what we will accomplish and the new ideas the students will bring to the class.”

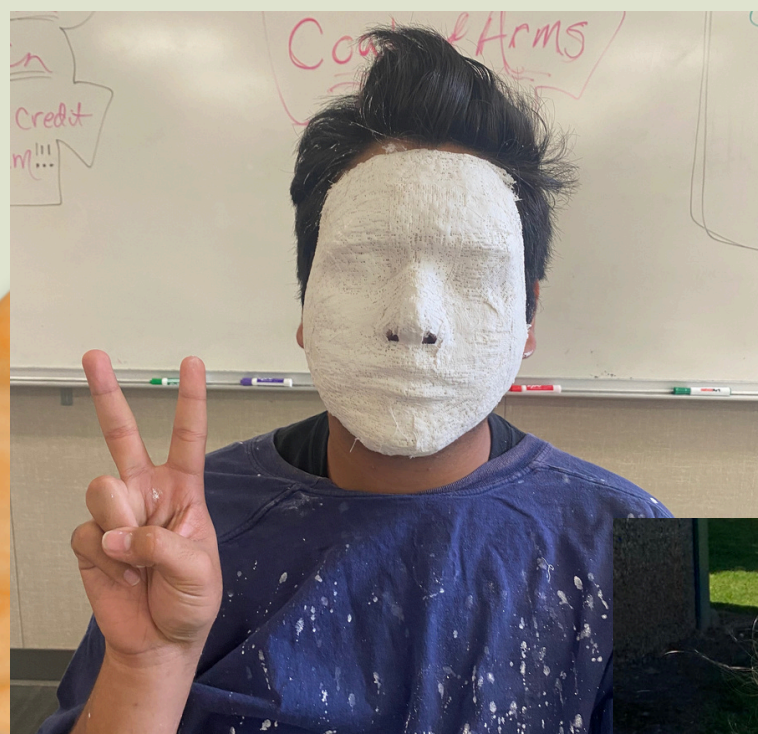

Q. Do you have anything to say to the graduating seniors

A. “ This senior class is amazing and I'm going to miss them. They've made this year so fun, and I am thankful for all the conversations and laughs throughout the past two years. It will not be the same without them!”
