ROBINSON'S ROCKET RALLY

This past Monday, Mrs. Robinson and her 2023 chemistry class demonstrated their most recent experiment that they've been working on. Using what they've learned about stoichiometry and chemical reactions to create a rocket powered by igniting hydrogen and oxygen.

Interview With Bianca Anguiano

What are your plans after high school?

"My plan is to attend Butte College and go into the nursing field."

What was your favorite memory of high school?

"I don't have a favorite memory but I do have memories that I'll cherish forever. Some of those memories would be the times I got to make new friends. Over the past 4 years I have had many ups and downs, but at the end of the day the only thing that matters are the memories. High school went by faster than I thought, I'm going to miss my teachers and friends. "

Is there a teacher you're going to miss?

"I have multiple favorite teachers, its hard to choose. I will say that Biggs High School has a supporting staff, they only wish for you is to succeed. I'm really going to miss Mrs. Garcia, Senora Esquivel, Mr. Boyes, Mr. Sheridan, Mr. Meyer, Mr. Sormano, and Mrs. Morch."

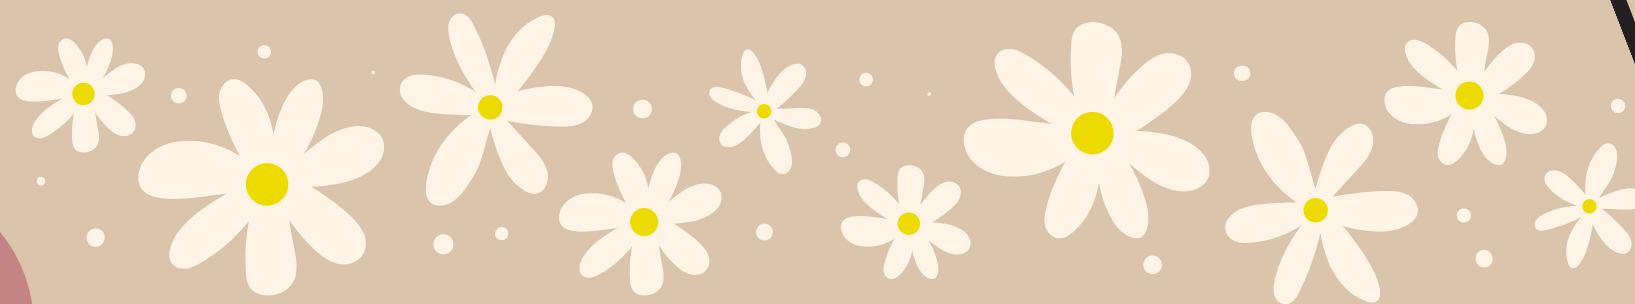

What's some advice you would give to the freshmen?

"Some advice I'd like to give the freshmen is to make as many memories as possible because the memories are the only thing you have left and to always be yourself. "

Yearbook

The 2022-2023 School Yearbook is officially all finished!!
So we asked Elly Perkins and Mr. Sharrock what it was
like this year.

Interview with editor Elly Perkins

Q: What was it like having the chance to work on this years school yearbook?

A: " I was grateful that I was able to be a part of the yearbook team this year. I've always loved how the yearbooks have turned out and it was a great experience to be able to experience working on it!"

Q: Was this your first year taking Publications? What was your favorite part about it?

A: "This is my first year taking the Publications class. My favorite part about the class was being able to use my creative energy to use on the yearbook pages that I did. "

Q: What was easy and what was difficult about working on the yearbook?

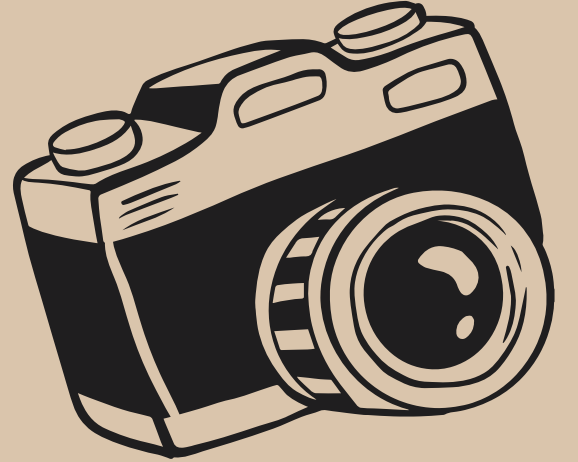

A: " The designs and actual design process came very easy to me, my only struggle was managing my time and not procrastinating doing them until the last minute. "

Yearbook

Interview with Mr. Sharrock Publications

Q: How was your Publications class this year Mr. Sharrock?

A: "They were excellent. A lot of them have a knack for photography and page design. Fantastic staff I had this year."

Q: What is this years Yearbook theme?

A: "We came up with 'Biggs Goes Hollywood'. I wanted to spice it up a bit this year."

Q: What was something challenging this year?

A: "I'd say taking pictures of the rallies because it's hard to want to enjoy the rally and take pictures at the same time."

Q: What was something different this year in your publications class?

A: "Something new this year was the weekly newspaper. Also the fact that TreeRing changed its whole interface so we had to learn new stuff. Another thing that was different this year is I only had one returning student from last year be in Publications this year."

Baseball

Baseball won their first round of playoffs against Faller River 12-2 5/12. They lost against Chester 9-11 5/17. Good job this season boys!

softball

**GOOD JOB THIS
SEASON LADIES!**

Softball won their first round of playoffs against Tule Lake 22-2 on 5/13. making it to the semi-finals, they lost against Loyalton 8-9 on 5/18. It was a great game with the Wolverines in the lead up until the bottom of the 7th.

**THE GIRLS PLAYED
AT FEATHER RIVER
COLLEGE MAKING
IT A WONDERFUL
EXPERIENCE!**

BHS TRACK

Our track season has unfortunately come to an end, but it was an overall very successful season for everyone! Emma Bowles and Tyler Ainsley made it to the very end in the finals in both shot put and discus. During the season, there were many members of the team who took first and second place in multiple events! Congratulations to all of the players for doing so well!
